ASSAM RIFLES PUBLIC SCHOOL
LAITKOR, SHILLONG-793010

Dear parents & students,

1. By the GRACE OF THE DIVINE may I hope all remain safe and in good health. I pray that God hold us all in his endless benevolence, ceaselessly.
2. Yet again, we are faced with severe unpredictability. Despite the anxiety, there has been no dampening of our hope and determination. We know we shall overcome this too. We shall faithfully adhere to protocols and go that extra mile in precaution.
3. Closing of physical classes and hostels has been brought about by the spike in the pandemic. This has been an appropriately timed right decision. Our children are all safely back home under our watchful care.
4. We have to adapt so as to minimise the negative impact that may arise out of the prevalent situation. We have already initiated ONLINE CLASSES, as of now which is the most relevant and appropriate measure. Arrangements have been made for uninterrupted online schooling.
5. In this regard, the following may be noted:
 - Daily schooling will start at 8.30 am and end at 1.50 pm.
 - Subject teachers will record daily attendance.
 - Teachers will collect feedback (test/activity/presentation) once every two days.
 - Students shall attend class with text books and note books (from a suitable spot at home).
 - Note books will be evaluated by the subject teacher as student rejoins physical class later.
6. ONLINE ASSEMBLY shall be held once a week (Tuesday for VI – VIII, Thursday for IX & X, Saturday for XII). Students shall attend the assembly at 8 am punctually in proper school uniform.
7. As earlier, school shall also organise various co-curricular activities. It is mandatory for every student to participate in such events/activities as they are meant to engage students creatively. Also, these will build additional skills and competencies as students advance in regular schooling.
8. Moreover, let me underline that students who give their online assessments strictly follow the guidelines and put up their best performance as performance results herein may play a significant role in their career opportunities and choices.
9. Finally, I would like to extend the Laitkorians' warm hearted gratitude to all the parents for generously supporting our efforts. We really appreciate every bit of the information and advice shared with us. We are humbled by your trust in us and are grateful for providing us the opportunity to facilitate the education of the young people, our future.
